ARENA POLICIES

- Lunging will not be allowed at any time in the main show ring, or the adjacent, "official" warm up area.
- Please use the older, outdoor arena closest to the camper area for lunging, leaving the new arena next to it open for horses working under saddle or in harness.
- The covered outdoor arena will be used for our dressage and ranch riding classes on Thursday and Friday. You may work or lunge in that ring if we are not holding classes or setting up for dressage or ranch riding.
- The official warm up ring, which is immediately adjacent to the show ring, will only be open to horses in the very next class.
- When using the official warm up ring, please respect your proximity to the show ring. There will be no whip cracking, baby powder, or noise making allowed.

DRIVER'S LICENSE STATEMENT

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the minor committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hoverboards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

ENTRIES & ENTERING

1. Mail entries by July 15. Please mail your entries to: **Patti Schooley 6662 Katahdin Drive Poland, Ohio 44514**. WE WILL NOT BE RESPONSIBLE FOR EMAILED ENTRIES. For your convenience, entries may also be made online at: **www.horseshowonline.com**. Entries not postmarked **July 15** or earlier will be assessed a **\$40 post entry fee per horse**.
2. Due to the rising cost of offering credit card payments, we have found it necessary to assess a 4% processing fee on each credit card payment.
3. Due to the necessary scheduling of ride times, **dressage entries must be received by July 25**. Any dressage entries received after July 25 will not be accepted. No exceptions.
4. There is no post entry fee for additional classes added for any horses previously entered in at least one class at the show. Added class entries must be made in the horse show office and will be accepted up to 90-minutes prior to the beginning of the session in which the class is to be held. Please make your entry plans in advance of this deadline. In the event that the 90-minutes deadline is missed, special arrangements can be made to enter your class for an additional fee of \$50 per class. This fee is a necessary consequence because last-minute entering has become a rapidly growing problem for our staff.
5. Transfer of entry fees will be accepted at no penalty prior to the start of the show. For example, you may substitute a new horse, using the fees of a horse that cannot come.
6. Trainers who would like to split item costs such as shavings, tack stalls or sponsorships among their clients' bills are asked to please set up these splits at the office well before the check-out rush at the end of the show. You may not be able to split those fees if you wait until the last minute.
